PNY MARTINI

The PNY Martini is a tribute to the mid-20th century connection between Paris and New York City from fashion to travel.

It is also almost 70 years since Air France unveiled a direct flight from Paris to NY on an airplane known as the "Constellation Super G".

In creating our PNY Martini, we took certain elements and inspirations from that special flight to come up with what we think is the perfect martini recipe. We hope you enjoy the flight!!
